Up to 8 ects

Apply online now!

Sustainable business as a foundation for sustainable development

Summer school POLAND

Summer School Poland is a unique program during which you will:

- earn up to 8 ects while broadening your academic experience
- join one (under or postgraduate) program which suits your need and skills best
- get practical knowledge from successful bussiness owners
- meet new friends from around the world
- explore with a tour guide two if the oldest and most beautiful cities in Poland
- participate in various (free) social events: splashing in our Aqua Park, visiting ZOO, trying out your skills in bowling, and list goes on...
- feel like home - our caring team goes all the way to help you with all possible issues

„Doubt no more, 'cause this is a real thing for you!"
- Ivana, Croatia, 2013

„When you get the chance, DO IT! Believe me, you won't have any regrets at all!"
- Brent, Belgium, 2013

You, 2014

„I couldn't belive it at the beginning but it's true! It's amazing here!"

The cost of Summer School Poland 2014 is only 650 EURO / 875 USD

This is the price for 2 weeks of studies and fun in Wroclaw and it includes:

- study materials
- student accommodation (2 minute walk from the University)
- meals (breakfast and lunch)
- meetings with businessmen
- overnight trip to Cracow
- social and cultural events
