

Internship - Private debt Analyst

Idinvest Partners is a leader in financing European SME's, investing in various enterprises in different stages of growth. Established in 1997, today Idinvest manages more than €8 billion and over 85 employees. Thanks to its range of expertise, Idinvest can successfully support the growth of companies by financing them through its three lines of business: Growth Capital, Private Debt and Private Funds Group.

Idinvest has financed over 3,500 European enterprises since it began, including Meetic, Dailymotion, Criteo, Materne, Sarenza, Deezer, Vestiaire Collective, Talend, Demeco and Isabel Marrant.

Private Debt:

With over €2.7 billion under management and an active presence in the European private debt markets since 2007, our existing team has completed over 100 deals in Europe, focusing on the small and mid-market segment (with enterprise values between €30 million and €1 billion). Idinvest can offer both investors and portfolio companies a full range of private debt products, such as mezzanine, unitranche and senior loan to suit every situation: transfers of ownership, capital restructuring, delisting, refinancing and growth financing.

Job Description:

Starting date: July 2018

Job Type: 6 months internship

Location: 117 Avenue des Champs Elysées, 75008 Paris

The Intern will have responsibility for evaluating, executing and monitoring private debt transactions. Key responsibilities will include:

- Initial deal review and screening;
- Business, financial and industry due diligence;
- Financial modelling and valuation analysis;
- Execution support and post-investment transaction monitoring.

This is an excellent opportunity for a motivated individual seeking an exposure to the private debt market.

Qualifications / Requirements

- Previous experience in investment banking, transaction services or private equity;
- Solid academic record: pursuing a relevant Master's degree in a top ranking school;
- Strong analytical and modelling skills;
- Strong oral and written communication skills;
- Self-starter and independent thinker with strong problem solving skills;
- Some understanding of the Private Equity market would be useful;
- Spanish or Italian as a mother tongue;
- Fluency in English mandatory;
- Conversational French would be a plus but is not required.

Pay and benefits

Gross monthly compensation offered is €1600. Meal vouchers of €10.50 each (company pays 50%). Company pays for 50% of commuting costs.
