**INTERNATIONAL CAREER
SUMMER SESSION**

June 16th – August 8th, 2014

INTERNATIONAL CAREER SUMMER SESSION IN THE HEART OF LONDON

Come to the truly global city of London to give your future career an international perspective so essential for today's job market, where a deep understanding of European cultures, markets, and methods is a key asset for an international career.

London is clearly the ideal location to gain insight and perspective on Europe. It is also one of the world's cultural centers, with over 200 museums (twice as many as Paris or New York), many of them free to visit, not to mention the vibrant social scene one can find here. And London's strong economy gives students the perfect opportunity to work part-time to help them put what they have learned into practice and help cover their living expenses.

This career-boosting program takes place in the INSEEC London School, ideally located between Regent's and Hyde Parks, in the heart of Marylebone Village.
